Ordinary World – Duran Duran

SOLO

Came in from a rainy Thursday on the
avenue
Thought I heard you talking softly

SOLO

I turned on the lights, the TV, and the
radio
Still I can't escape the ghost of you

ENSEMBLE

What has happened to it all? (2
PARTS)
Crazy, some'd say
Where is the life that I recognise?
Gone away

FULL CHOIR

CHORUS (2 PARTS)
But I won't cry for yesterday
There's an ordinary world
Somehow I have to find
And as I try to make my way
To the ordinary world
I will learn to survive

ENSEMBLE

Passion or coincidence once prompted
you to say (2 PARTS)
Pride will tear us both apart (3 PARTS
S1)
Well, now pride's gone out the window
Cross the rooftops, run away
Left me in the vacuum of my heart
What is happening to me? (SOPS
OOH 2 PARTS)
Crazy, some'd say
Where is my friend when I need you
most? Gone away (3 PARTS S1)

REPEAT CHORUS – FULL CHOIR

INSTRUMENTAL

SOLO

Papers in the roadside tell of suffering
and greed
Fear today, forgot tomorrow
Ooh-ooh (ENSEMBLE)

Here besides the news of holy war and
holy need

ENSEMBLE

Ours is just a little sorrowed talk

Human

I did my best to notice
When the call came down the
line
Up to the platform of
surrender
I was broad but I was kind

And sometimes I get nervous
When I see an open door
Close your eyes
Clear your heart

Cut the cord
Are we human?
Or are we dancer?
My sign is vital
My hands are cold
And I'm on my knees
Looking for the answer
Are we human?
Or are we dancer?
Looking for the answer
Are we human?
Or are we dancer?

Will your **system be alright**
When you **dream of home**
tonight?
There is no message we're
receiving
Let me know is your heart still
beating?

Are we human?
Or are we dancer?
My sign is vital
My hands are cold
And I'm on my knees
Looking for the answer

Pay my respects to grace and
virtue
Send my condolences to good
Give my regards to soul and
romance
They always did the best they
could
And so long to devotion
You taught me everything I
know
Wave goodbye
Wish me well

You got to let me go
Are we human?
Or are we dancer?
My sign is vital
My hands are cold
And I'm on my knees

INSTRUMENTAL

Ah Ah Ah Ah Ah

Are we human?
Or are we dancer?

And I'm on my knees
Looking for the answer
Are we human?
Or are we dancer?
Are we human?
Or are we dancer?

You're the Voice – John
Farnham

We have the chance to
turn the pages over
We can write what we
want to write
We gotta make ends
meet, before we get
much older

We're all someone's
daughter
We're all someone's son

How long can we look at
each other
Down the barrel of a
gun?

CHORUS

You're the voice, try and
understand it
Make a noise and make it
clear
Oh, whoa
We're not gonna sit in
silence
We're not gonna live with
fear

Oh, whoa

This time, we know we all
can stand together
With the power to be
powerful
Believing that we can
make it better
LADIES Ooh, we're all
someone's daughter
MEN We're all someone's
son
How long can we look at
each other
Down the barrel of a
gun?

REPEAT CHORUS x 2

Ahhhhhhhhhh

I'M STILL STANDING

You could never know what it's like
Your blood like winter freezes just like
ice
And there's a cold lonely light that
shines from you
You'll wind up like the wreck you hide
behind that mask you use

And did you think this fool could never
win?
Well look at me, I'm coming back
again
I got a taste of love in a simple way

And if you need to know while I'm still
standing you just fade away
Don't you know I'm still standing
better than I ever did
Looking like a true survivor, feeling like
a little kid
I'm still standing after all this time
Picking up the pieces of my life
without you on my mind

I'm still standing, yeah, yeah, yeah
I'm still standing, yeah, yeah, yeah

Once I never could hope to win
You starting down the road leaving me
again
The threats you made were meant to
cut me down
And if our love was just a circus, you'd
be a clown by now

Don't you know I'm still standing
better than I ever did
Looking like a true survivor, feeling like
a little kid
I'm still standing after all this time
Picking up the pieces of my life
without you on my mind

I'm still standing, yeah, yeah, yeah
I'm still standing, yeah, yeah, yeah

Don't you know I'm still standing
better than I ever did
Looking like a true survivor, feeling like
a little kid
I'm still standing after all this time
Picking up the pieces of my life
without you on my mind

I'm still standing, yeah, yeah, yeah
I'm still standing, yeah, yeah, yeah
I'm still standing, yeah, yeah, yeah
I'm still standing, yeah, yeah, yeah
