## Eternal Flame

(Arrangement by Sarah Jackson)

### UNISON OR SOLO

Close your eyes, give me your  
hand, darlin'

Do you feel my heart beating

Do you understand

Do you feel the same

Am I only dreaming

Is this burning an eternal flame

### ALT BASS SOP 1 OOH's

I believe it's meant to be, darlin'

I watch you when you are  
sleeping

You belong with me

Do you feel the same

Am I only dreaming

Or is this burning (burning)  
an eternal flame (an eternal  
flame)

### 3 PARTS

Say my name

Sun shines through the rain

### ALT BASS SOP 2 (AAH)

A whole life so lonely

And then come and ease the

I don't want to lose this **feeling**,  
oh

Viva La Vida – Coldplay

I used to rule the world  
Seas would rise when I gave the  
word  
Now in the morning, I sleep alone  
Sweep the streets I used to own

I used to roll the dice  
Feel the fear in my enemy's eyes  
Listen as the crowd would sing:  
"Now the old king is dead! Long live  
the king!"

One minute I held the key  
Next the walls were closed on me  
And I discovered that my castles  
stand  
Upon pillars of salt and pillars of  
sand

I hear Jerusalem bells a ringing  
Roman Cavalry choirs are singing  
Be my mirror, my sword my shield  
My missionaries in a foreign field  
For some reason I can't explain  
Once you go there was never, never  
an honest word  
But that was when I ruled the world

It was a wicked and wild wind  
Blew down the doors to let me in  
Shattered windows and the sound of  
drums  
People couldn't believe what I'd  
become

Revolutionaries wait  
For my head on a silver plate  
Just a puppet on a lonely string  
Oh who would ever want to be king?

(3 Parts)

Don't Give Up On Me – Andy Grammer

I will fight  
I will fight for you  
I always do until my heart is black and blue

And I will stay  
I will stay with you  
We'll make it to the other side Like loved ones do

I'll reach my hands out in the dark And wait for yours to interlock  
I'll wait for you  
I'll wait for you

Cause I'm not givin' up  
I'm not givin' up, givin' up  
No, not yet  
Even when I'm down to my last breath

Even when they say there's nothin' left  
So don't give up on  
I'm not givin' up  
I'm not givin' up, givin' up

No, not me

Even when nobody else believes I'm not goin' down that easily  
So don't give up on me

And I will hold  
I'll hold onto you  
No matter what this world'll throw  
It won't shake me loose (oh oh oh oh oh oh oh )

I'll reach my hands out in the dark And wait for yours to interlock

I'll wait for you I'll wait for you

'Cause I'm not givin' up I'm not givin' up, givin' up No, not yet

Even when I'm down to my last breath

Even when they say there's nothin' left  
So don't give up on  
I'm not givin' up  
I'm not givin' up, givin' up

No, not me

Even when nobody else believes I'm not goin' down that easily  
So don't give up on me

On Me On Me On Me

I will fight  
I will fight for you  
I always do until my heart is black and blue
